

Service Parts Book

To locate part number:

1. Find the appliance(model) name and serial number, located on the rating plate which is located on the bottom right-hand side near the gas controls area or valve plate.
2. See Table of Contents (next page) to locate your appliance page number. Insert page number (see tool bar) and enter.

3. You will see a service parts diagram. The parts list is on the following page or below the diagram. Those without an item number will be in alphabetical order.
4. Column marked "Stocked at Depot":
Y = stocked
Blank = shipped from the factory with a standard lead time.
5. "No longer available" = HHT is no longer able to provide this part.

PLEASE NOTE:

These Service Parts Lists included in this section are subject to updates as improvements are made to our appliances or when new appliances are created.
